§ 1.05-15 Public participation.

The Coast Guard considers public participation essential to effective rulemaking, and encourages the public to participate in its rulemaking process. Coast Guard policy is to provide opportunities for public participation early in potential rulemaking projects. Generally, the Coast Guard will solicit public input by publishing a notice of public meeting or request for comments in the FEDERAL REGISTER. Advance Notices of Proposed Rulemaking, Notices of Proposed Rulemaking, Supplemental Notices of Proposed Rulemaking, and Interim Rules will usually provide 90 days, or more if possible, after publication for submission of comments. This time period is intended to allow interested persons the opportunity to participate in the rulemaking process through the submission of written data and views. However, certain cases and circumstances may make it necessary to provide a shorter comment period. Public meetings may also be held to provide an opportunity for oral presentations. The Coast Guard will consider the comments received and, in subsequent rulemaking documents, will incorporate a concise general statement of the comments received and identify changes from a proposed rule based on the comments.

§ 1.05-20 Petitions for rulemaking.

(a) Any member of the public may petition the Coast Guard to undertake a rulemaking action. There is no prescribed form for a petition for rule-

making, but the document should provide some supporting information as to why the petitioner believes the proposed rulemaking is necessary and the document should clearly indicate that it is a petition for rulemaking. Petitions should be addressed to the Executive Secretary, Marine Safety and Security Council (CG-0943), United States Coast Guard Headquarters, 2100 2nd St. SW., Stop 7121, Washington, DC 20593-7121.

(b) The petitioner will be notified of the Coast Guard's decision whether to initiate a rulemaking or not. If the Coast Guard decides not to pursue a rulemaking, the petitioner will be notified of the reasons why. If the Coast Guard decides to initiate rulemaking, it will follow the procedure outlined in this subpart. The Coast Guard may publish a notice acknowledging receipt of a petition for rulemaking in the FEDERAL REGISTER.

(c) Any petition for rulemaking and any reply to the petition will be kept in a public docket open for inspection.
